**AMENDMENT**

In response to a Final Office Action dated June 28, 2006, Applicants have amended the claims and have responded to the rejections.

The present application was discussed at a telephonic interview on August 8, 2006. As indicated by a recent Advisory Action, the proposed amendments were not entered because the amendments may raise new issues that required further search and consideration. Accordingly, Applicants have filed a Request for Continuing Examination.

**Amendments to the Claims** begins on page 2 of this paper.

**Remarks** begin on page 9 of this paper.
